Steps to Help Streamline Your Freight Claim Settlement

Provided is the claim form you requested. We will make every effort to settle your claim in a fair and timely manner. Claims will be handled using standard guidelines and rules:

- 1. National Motor Freight Classification series, Principles and Practices for the Investigation and Disposition of Freight Claims.
- 2. Refer to the FXF or FXNL Rules Tariff for liability limitations.
- 3. Per the Bill of Lading Terms and Conditions, claimants have nine (9) months from the date of delivery (or from the date delivery could have reasonably been expected) to file claims for loss and / or damage.
- 4. Concealed damage should be reported within 15 days from the date of delivery. This can be done by phone, but should always be confirmed in writing. Once reported, liability will be determined by our investigation.
- 5. Salvage Retention It is the duty of the consignee to retain damaged merchandise and shipping container until the investigation of the claim is completed. It is likewise the duty of the claimant, where there is substantial value in the salvage, to accept and handle it in such a manner as to mitigate the claimed loss as much as possible either through repair or discounted sales.

- 1. Completed Claim Form
- 2. Delivery Receipt (if available)
